

KENYA—USA TECH FORUM (KUSAT)

Theme: Connecting Global Talent, Driving Innovation, Shaping the Future, and Strengthening Diaspora Engagement

The Diaspora Innovation & AI Conference (DIAC) 2026, organized by the Kenya–USA Tech Forum (KUSAT), is a two-day international conference scheduled for June 2026 in Washington, D.C., bringing together approximately 200 participants from across the global diaspora.

DIAC 2026 convenes diaspora scholars, students, policymakers, industry leaders, and innovators from Kenya and the United States to advance dialogue and collaboration in STEM, AI, innovation, entrepreneurship and global development.

The conference offers sponsors and partners strategic visibility, thought leadership positioning, and direct engagement with policymakers and high-potential talent, while supporting transformative solutions shaping the future of technology and development.

Attendees and participants benefit from expert-led discussions, networking opportunities, exposure to cutting-edge innovations, and platforms to present research and showcase impactful initiatives.

Please find below the available sponsorship packages and associated benefits.
